

9th International Conference on

Advanced Computational Methods in Engineering and Applied Mathematics

September 15-19, 2025

Congress Center Zebrstraat in Ghent, Belgium

<https://cage.ugent.be/acomen2025>

The purpose of **ACOMEN2025** is to provide an opportunity to discuss the latest developments in computational and applied mathematics with experts from various engineering and mathematical fields.

Important dates (2025)

- February 1, registration opens
- April 1, early bird fee ends
- July 1, deadline abstract submissions
- August 1, deadline registration

Abstract submission is open: 20-minute presentations

submit your abstract via <https://cage.ugent.be/acomen2025/abstract.html>

Call for mini-symposia: a mini-symposium is a session of at least four coordinated presentations on a single topic in accordance with the scope of the conference

submit your proposal via <https://cage.ugent.be/acomen2025/minisymposia.html>

Plenary speakers: **Peter Bastian** (Universität Heidelberg), **Paul Bressloff** (Imperial College London), **Jerome Droniou** (University of Montpellier), **Jan S. Hesthaven** (École Polytechnique Fédérale de Lausanne), **Barbara Kaltenbacher** (Alpen-Adria-Universität Klagenfurt), **Michael Klibanov** (University of North Carolina at Charlotte), **Matti Lassas** (University of Helsinki), **Barbara Wohlmuth** (Technical University of Munich)

Organising committee: Michael Ruzhansky (chairman), Marián Slodička, Karel Van Bockstal

Scientific committee: Christophe Geuzaine, Sorin Pop, Enrique Zuazua
