

Syllabus - Spring 2008

Calculus - Math 1550 - Section 14
2:40 - 3:30pm – Allen 137

General Information

Instructor : Jasson Vindas
Office # : 379 Lockett
Office hours : 1:40 - 2:30pm M-W-F.
Email address : jvindas@math.lsu.edu

Materials

Textbook : Calculus, Early Transcendentals by Jon Rogawski.

Topics Covered

The topics include limits, differentiation, applications of the derivative, the integral and applications of the integral. We will cover chapters 1-6 and 8 (Sections 8.1-8.3) from the textbook.

<u>Tests & Final</u>	<u>Date</u>	<u>Percentage</u>	<u>Remarks</u>
Homework	See WebWork	20%	
4 unit tests	Announce soon	60%	Lowest grade will be dropped
Final exam	May 9, 2008(3-5pm)	20%	Final is partly comprehensive

Grading Scale

A: 90 - 100% B: 80 - 89% C: 70 - 79% D: 60 - 69% F: 0 - 59%

Make-up Policy

For tests, there will be no make-up. If you miss a test, it becomes your drop test. For final exam, you have to inform me in advanced by email to arrange your make up exam.

Homework

Homework includes two parts, one is from WebWork and contributes 20% of your grade, and the other is a supplement from a homework list which will be provided later and will not be graded. Homework assignments will be the main sources for the test and final exam problems.

This course can be used to meet five credit hours toward the general education requirement for analytical reasoning. See the LSU catalog for more information.
